Cess Pit / Septic Tank

We are proud to offer for sale this lovely property in the Alguyat Valley, between La Romana and Algueña. The house is a modern construction, finished around 7 years ago, and in perfect condition.

The lounge is made especially large and with dual aspect, to allow for plenty of natural light, and has a modern practical kitchen to one side, with the bedrooms being to the other side (3 bedrooms, 1 being en-suite).

All the fittings in the house are of a high standard, with special features such as pocket doors being installed throughout, saving space. There is plenty of space for a pool here, and the house has around 3000m2 fenced off for the main house garden.

Viewing is recommended to fully appreciate this house

La Romana is a pretty village, located in the foothills of the Sierra del Reclot and surrounded by vineyards, almonds and olive orchards. It is a mountainous area and there are several marble and limestone guarries in the area.

The village has a population of about 2,500 people and has a good selection of shops, bars and cafes. There is also an excellent Saturday market. La Romana has its own bodega, a co.operative, where the local vineyard owners bring their harvest. There is a large sports centre on the edge of the village with a large pool, tennis, Paddle Tennis and Basketball courts, a football pitch and indoor gym.

The town's popular fiesta is held in the third week of August every year, which includes the traditional Moors and Christians parades on Friday and Saturday.

The village is close to the towns of Alguena, Novelda, Aspe and Hondon de las Nieves and is a 30 minute drive from Alicante airport and the
