We are proud to offer this plot of land with a casita (small house) on it. The land is around 12,000m², and has a small house of 45 m² on it (please note that the house is currently registered as a farm building).

The land has olive trees on it (around 300) and has mains water. Electricity would need to be via solar panels or other off-grid means.

This is ideal as a weekend getaway, or, with further development, could be added to to create bedrooms, bathroom etc, as there is plenty of build space left.

Please get in touch for further information.
