This beautiful property is located in a quiet area, in a dead-end street, 5 minutes from Crevillente and its shops. Due to its location, the house and garden are very private and at the same time, surrounded by neighbors. The house was built on 2 floors and has +/- 250m<sup>2</sup> of living space. On the ground floor, you have a very large covered terrace, a living/dining room with open fire, an equipped kitchen, 2 bedrooms and a bathroom. Upstairs are 3 spacious bedrooms with large terraces and a view of the surrounding area (the master bedroom has an en-suite bathroom) and a second bathroom (toilet + sink). For little cost, it would be possible to make a third bathroom. The land is 5,800m<sup>2</sup> big and is completely fenced. Access to the property is through an electric gate. On the land, you have a very large carport, a beautiful swimming pool, a small building with an outdoor kitchen, bathroom and changing room and also a tennis court. If you are looking for peace and quiet while being close to amenities, this property is for you. Alicante airport and beaches are less than 20 minutes away.
